NUMBER 30

W. O. W. Meeting At Lola, Ky.

On Saturday night Jan. 7th, 1911, a very delightful social and reception was held at Lola by the Woodmen of the World camp. A long table was set in the hall, decorated with colored lights, red, white, green and purple, and loaded with meats, bread, pickles, coffee, cakes, apples and oranges. It was enough to tempt the appetite of any Woodman and I think we done this part of the exercises justice.

After the table was put away, the new officers elect, donned their robes and uniforms and were installed into office. Then two candidates were initiated into the protection degree of Woodcraft. The work was well done and some very important lessons were given. Captain Davis had his team of uniform rank to do some nice drill practice. Some side degree work was given and everybody, yes, and the candidates too, seemed to enjoy it. Then we all went home saying we had such a good time, that our noble Order of Woodcraft may continue to grow and its branches shelter and protect many is the desire of all Woodmen who are worthy of our love, honor and remembrance.

J. H. HILLIARD

DIES IN DENVER

Former Marionite Pastor
Away Wednesday
Night.

A telegram was received in the city Thursday morning by S. H. Lambert announcing the death of J. H. Hilliard which occurred Wednesday night in Denver, Colo.

No other facts were stated in the message, but his friends in this city are positive that death was caused from Bright's disease, as he had been, suffering with that disease for some time.

Mr. Hilliard formerly resided in this city. He married Miss Phoebe Lambert, who died several years ago. While a resident of Henderson he conducted a book store business.

Henderson Gleaner.
Marve Hilliard lived here for many years and was engaged in in the drug business. Many of our citizens will remember him.

Mrs. Laura J. Keiner, Sues

Paducah Officials for \$5,000.

Paducah, Ky., Jan. 12.—Mrs. Laura J. Keiner, of Henderson, Ky., professionally known as Madame Castellano, filed suit in the Circuit Court here against former chief of police James Collins, and Sergt. of Police Lige Cross, for \$5,000 damages for alleged false arrest. A similar suit was recently dismissed in the Federal Court. Some woman alleged going under the name of "Madame Castellano" is alleged to have stolen a watch in Henderson and Mrs. Keiner was arrested here for the alleged theft. She was acquitted. The plaintiff was a palmist.

Squire Sam Marks Dead.

Squire Sam Marks, a well known citizen of Tolu, died Saturday and was buried at Hurricane camp ground Sunday, with Masonic honors. He was born in Tennessee and came to Tolu to live twenty years ago. He is survived by his wife. Squire Marks was sixty-four years of age.

Some Checkers.

In the town of Bethel carloads of checkers were manufactured for the Christmas holidays. The total output of the factory there was over 800 barrels. Each barrel holds 36,000 ordinary checkers and the 800 barrels contain 28,800,000 single checkers.

Walden & Company, Magicians.

The next number on the Lyceum course of the Marion City Schools, will come Jan. 23rd. Walden & Co., are considered among the best magicians on the road. In addition to illusions of magic and mystery, they present Heverly, the handcuff king, who releases himself from every possible position in handcuffs. Citizens are requested to take their own handcuffs and padlocks, and a committee from the audience binds him hand and foot. He releases himself with perfect ease.

Mr. Walden's magic is not of the ordinary kind. He does it in a different way from others. He is regarded as a clean, high-class entertainer whose program is not offensive to any taste. Those who see this company will be pleased with the entertainment. January 23rd, 1911.

Another Account—Kentucky

Womau, Dies on Train.

Hutchinson, Kan., Jan. 14.—Mrs. J. M. Montgomery, of Tiline Ky., near Paducah, died on a Santa Fe train. She was with her husband and three small children. She was on her way home from Albuquerque, N. M., where she had been in hopes of receiving benefit for tuberculosis. Realizing that she did not have long to live, she was trying to reach home before she died, where her parents and her husband's parents live.

Malcom And Lizzie at Dixon.

Monday night when some new wedded couples were on the I. C. for Dixon, the Times man was also aboard, ignorant of the newly wedded couples presence. Shortly before we reached Dixon we discovered the engineer making merry with his whistle and upon inquiry found the couples to be John Wilhite and formerly Miss Cartie Overby, Tom Braden and formerly Miss Waggoner, and Mr. Wilkey and formerly Miss Gilbert. They were met at the depot by an immense crowd who scattered rice rang bells! and made a fuss till you couldn't rest.

We extend heartiest congratulations to all and their popularity in Dixon was evidenced by the hearty welcome.

James Detained in Washington.

Representative Ollie M. James, who had intended to open his campaign this week for the United States Senate to succeed the Hon. T. H. Paynter, finds that his congressional duties compel his remaining in Washington for the present.

As a member of the Ballinger committee, he will lead the anti-Ballinger forces in the House, and until it is determined what move the Ballinger forces contemplate he will stay here.

Before the end of the month Mr. James hopes to find time to deliver speeches in Kentucky formerly announcing his candidacy.—Washington Correspondence in Courier Journal, Monday Jan. 9th, 1911.

Odd Fellows' Meeting.

On Monday night, Jan. 23rd, Boone Lodge No. 1, I. O. O. F., of Louisville, will give all Odd Fellows within reach of Louisville, one of the greatest treats that has been given in this section for many years.

On that night the 1st degree will be given to 100 candidates in the Armory at Sixth and Walnut, Merriek Lodge No. 31, of Lexington, Ky., by its degree team, will do the work. This team has gained a national reputation for good work in this degree. Every Odd Fellow Lodge in Kentucky and Southern Indiana has been invited and it is expected that fully 4000 members will be present. Special arrangements have been made with the Railroads and Interurban lines so that every member who wishes to attend can do so. Grand Sire Cockram and W. H. Leedy, Grand Secretary of Indiana will be present. All the Grand Lodge Officers, of Kentucky have been invited and will be present. Boone Lodge is the oldest lodge west of the Allegheny mountains, having been established February 10th, 1833, by Grand Sire Wilkey, the founder of the order. From Boone Lodge came all of the older lodges in Louisville.

Boone Lodge also established the order in Indiana by instituting New Albany lodge No. 1, in New Albany.

For these reasons Indiana members are particularly interested in this meeting, feeling that in the true sense, the Mother is calling her children Home.

Died in Hutchinson, Kansas.

John E. Malcolm of Lola, received a message Friday, informing him of the death of Mrs. John Montgomery in Hutchinson Kansas. Her remains were brought to her old home in Livingstone Co. for burial, arriving there Monday.

Malcolm Wilkey and wife, of Fredonia, visited his parents, Mr. and Mrs. W. J. Wilkey, here this week.

R. H. Terry and wife, of Morley Mo., and Miss Maggie Terry, of Marion visited A. N. Stallion and family last week.

THE DAILY COURIER-JOURNAL AT ONE-HALF PRICE.

Through a special arrangement, this paper is enabled to offer the Daily Courier-Journal by mail, in combination, at a price just one-half the regular rates for the Courier-Journal. The regular price of the Daily Courier-Journal is 50 cents a month, \$6.00 a year. See the clubbing proposition in our advertising columns next week and read about the bargain. This special offer is good only for subscription orders given us during the month of February. The offer will be withdrawn the last day of the month, and no orders can be taken after that.

Under this offer, Courier-Journal will be sent to subscribers only through the post-office, not through Courier-Journal agent. No Courier-Journal orders for a full year be taken at this rate. Subscription must be for not less than four months or longer than eight months.

The Tariff question in Congress and Mr. Watterson's letters from Europe will make the Courier-Journal especially interesting for the next few months.

The Lola Meeting.

On Monday night, Jan. 9th, we closed a very successful meeting of several weeks duration, at Lola, there were eleven professions of faith and nine additions to the church.

The church was greatly revived. Rev. B. F. Hyde, of Cadiz, did the preaching. Bro. Hyde is an able preacher and sticks close to the word of God. His sermons were greatly appreciated by all who heard him.

U. G. HUGHES, Pastor.

Green—McKinney.

On Saturday evening, Jan. 7th, at the home of the bride's father, Mr. Corbett McKinney and Miss Minnie Green were united in marriage by Rev. U. G. Hughes, their pastor.

The bride is the beautiful young daughter of Mr. and Mrs. Jonas Green, of the Seven Spring neighborhood. The groom is a prosperous young farmer, of the same vicinity.

They are among the most popular young people of their community, having a great number of warm friends.

We extend to them congratulations, wishing them a long and prosperous life.

Death of John A. Hurley.

The entire city was much distressed when it became known that Mr. Hurley was critically ill at Evansville where he had gone for an operation and when the news was flashed over the wires that he was dead there was genuine sorrow on all sides. He was a kind and most gentleman in demeanor quiet unassuming and always loyal to his friends. For many years he was in the transfer business here and all the people were of the most pleasant character. He had been a member of the Baptist church over a third of a century first holding membership at Dyers Hill, Livingston county and afterward here and had been a deacon over twenty-five years.

John A. Hurley was born in Livingstone county, December 17th, 1846, was married to Miss Martha Woodridge, March 7th, 1867 and was the father of nine children, seven of whom with his wife survive him. Freeman and Oliver of Carmi, Ill., Hugh of Springerton, Ill., and Roy of this city being the four sons. Mrs. W. A. Blackburn of Paducah, Mrs. A. G. Moore of Detroit, Texas, and Miss Maude of this city being the three daughters.

His death occurred Friday Jan. 13th at Evansville and his remains were brought back to the home from which he had gone forth only a few days ago full of hope. The funeral was preached Saturday afternoon at 2:30 o'clock at the Baptist church, Rev. Martin Miller officiating and the interment was at the New Cemetery. There were many and beautiful floral offerings attesting the affection in which his friends held him.

Croft—Ellis

Mr. Cecil B. Ellis and Miss Jessie Croft, of Marion, Ky., were married at that place Tuesday evening and came to Glasgow Wednesday. The attendants were Mr. V. Y. Moore, a classmate of the groom, and Miss Croft, a sister of the bride. Mr. John Young, of this county, a Vanderbilt student, was another attendant, and Mrs. W. V. Haynes, sister of the bride, was matron of honor. The bride is a very charming and attractive young lady, a favorite and a belle with all who know her. The groom is the young son of Squire George Ellis formerly of Tracy, but now of this place, and is one of the brightest and most promising young gentlemen of Barren county, having won a number of honors in the Lexington State College, of which he is a graduate and is a gentleman thoroughly esteemed by all.

Mr. and Mrs. Ellis came in Wednesday, and Mr. Ellis has taken a place in the Citizens National Bank as bookkeeper.

COCHRAN--COFFIELD ROMANTIC MARRIAGE

In November when the Record-Press gave a hint that Tom Cochran was going to Louisville on business of a more romantic nature, than buying hardware, or attending stockholders meetings of a big Insurance Co., it came nearer telling the facts than was generally known. On November 17th., Mr. Cochran and Miss Lily Coffield were married at the residence of Rev. T. V. Joiner in Louisville, by that gentleman in the presence of his family and a few friends. After the ceremony the happy couple returned to the brides home where he left her returning to his hotel for supper, thus not even letting the brides sister know of the marriage, and when the groom returned to Marion he did not divulge his secret to even his most intimate friends. Last week Mr. Cochran went to Louisville again, ostensibly on Insurance business. He and R. L. Moore made several trips to Anchorage where the big "Citizens National Life Insurance Co." has its offices but never a word did Tom divulge to his companion of his marriage two months ago. Dr. Moore did not learn of it until his return to Marion, where he learned that Mrs. Cochran had returned home with her husband. The bride is a daughter of the late R. Coffield former post-master of Marion and was reared here, her mother being a niece of the late R. N. Walker and of his sister Mrs. Dell Wilson, thus making the bride a second cousin of Miss Nelle Walker and of Mesdames H. K. Woods and J. W. Blue. Of the groom it is useless to speak. He is known and loved by every body who lives in the county and by hundreds who have moved to other parts and all will wish him the greatest joy in his wedded bliss. He deserves it for he is a recognized leader in all church, business, financial and political matters. We are for you, Tom.

HIGH NOON LUNCHEON.

Monday at twelve-thirty to two Miss Elizabeth James assisted by her sister Miss Ruby James entertained at a four course luncheon which was given in honor of Mrs. H. H. Sayre of Ardmore Oklahoma, who is now the guest of the James family at their palatial home on the corner of College and Depot streets. The function which was charming in all its details, was one of the most elaborate and elegant of the season and was attended by the elite of the city's society.

Covers were laid for twelve and favors of hand painted place cards were given to each guest as souvenirs. The first course was Fruit Cocktail, followed by the luncheon, which was served daintily. French Peas in nests of Creamed Potatoes browned, Sliced pressed fowl with Raspberry Jelly, Escalloped fresh oysters, Pettit Biscuits.

A most delicious Grape fruit salad was then served with Mayonnaise dressing, followed by Brick Ice Cream, cake, salted almonds, Coffee and Confections. Among those who enjoyed Miss James hospitality and who came to honor her charming guest, were Mesdames Roberts, Haynes Blue, Woods, Croft, Dupuy, Mather, Tucker, Jenkins and Miss Nonie Blue of St. Louis, Mo.

Hoxsey and Moissant

PLUNGE FROM CLOUDS

Aviation Fields at Los Angeles
And New Orleans Are
Scene of Accidents

John B. Moissant and Arch Hoxsey, aviators extraordinary, were killed yesterday.

Both fell out of the treacherous air with their machines and neither from a great height.

Moissant's remaining minutes of life were so few as to count as naught.

Hoxsey was killed instantly.

Moissant met his death at 9:55 a. m. in attempting to alight in a field a few miles from the aviation field at New Orleans.

Hoxsey, who went into the air in the afternoon at Los Angeles, at 2:12 o'clock, lay a broken, crushed and lifeless mass in plain view of thousands who were watching the aviation tournament at that place. Thus the last day of 1910 is bringing the total number of deaths of those who have sought to fly to thirty-five. caps the list with the most illustrious of aviators, who have been writing the history of aviation in the skies of two continents.

Arch Hoxsey, who only with the week had set a world's record for altitude of 11,474 feet, ran afoul of a shifty boiling treacherous wind when within a matter of 500 feet or so in the air, and a few minutes later a horrified crowd aroused from the shock and was rushing madly to where the broken mass of humanity lay beneath the canvas of his planes and some broken spars.

Both Moissant and Hoxsey met death in almost the same manner. Each machine was headed for earth and was seen suddenly to stop, hover in the air, then turn over onto its nose and dive headlong to the earth.

Mrs. C. M. Hoxsey, mother of the aviator of Pasadena Cal., missed by a mere accident seeing her son meet death.

Took Roosevelt as a Passenger

Badly Burned at Elizabethtown Ill.

As the steamer J. L. Lowry went up Wednesday it was found she had on board George A. Wall one of Elizabethtown's merchants who was so badly burned in both arms from getting his sleeves saturated with gasoline while getting his lamps in operation and which instantly took fire at the striking of a match. His brother Ed. Wall Jr. and a nurse accompanied him to the hospital at Evansville. He has been delirious from pain but was thought to be better. The Era man did not go to the rooms of his injured friend as what we could learn his condition is a most serious one. He has a sister in the hospital, Mrs. J. W. Beavers, was taken there last Friday by Dr. J. M. Clement and operated upon Saturday for appendicitis. She is reported as nicely recovering. Hardin-Era—Cave-in-Rock, Ill.

To Those Who Got No Paper This Year.

Quite a number of the subscribers to the Crittenden Record-Press have not received a paper since January 1st.

There is a reason for this. It will not be the fault of the postoffice, the mail carrier or the Crittenden Record-Press office. But it will be for other reasons.

One reason is that under the postal laws, we are not allowed to send the paper longer than nine months if it has not been renewed. The postal authorities require an affidavit from the publisher that he has no names on his list whose times have been out over nine months. The publisher of this paper cannot make such an affidavit until quite a number of names are removed from the list which has been done. So if your subscription is as much as nine months past due you may know that is the reason your paper cannot be delivered to you any longer. If you desire it you should renew without delay.

There is another reason why others will not receive their papers who are not it arrears nine months or at all. It is because we have adopted the stop-when-out system which is the only successful way to conduct a newspaper like the Crittenden Record-Press. We have no way of knowing who wants the paper sent on and who wants it stopped unless the person wanting renews before his time is out. It frequently happens that a subscriber who takes the paper for a year, pays for it and does not want it again, is annoyed by the paper being sent on and later followed by a dun. We have numerous requests from subscribers to be sure and stop their paper when out unless they renew. Others tell us to keep on sending it. It is simply impossible for us to remember what each subscriber told us or to keep a set of books along that line. The result is confusion and frequently hard feeling.

So we have adopted the RULE to STOP the paper when the time is out. A subscriber buys a dollar's worth of the Crittenden Record-Press and we shall send him a dollar's worth. If he orders a dollar's worth of sugar from his grocer, the grocer will not send him another dollar's worth without another order. So if you are behind at all in your subscription, but if your time has just expired, you may know the reason your paper does not come any more.

There is yet another class of subscribers who receive no paper. This class is not nine months or more behind, nor has their subscription just expired. It is a class between the two.

Some of these subscriptions have not been out long, some are nearly nine months over. due, while others range from two, three, four, five, six, seven or eight months in arrears. But in order to treat every subscriber just alike and to start the stop-when-out plan, and get the entire list on a business basis, these will fail to receive a paper also. It would not be fair or good business to stop the man's paper whose time has just expired or the man's paper who is nine months behind although he may be as good as gold and yet continue to send the man a paper who is three or six months behind. We could never put the system into operation were we to do that. We have already given two months notice that January 1, 1911, the Crittenden Record-Press would adopt that rule.

If anyone has paid and has a receipt given prior to Nov. 4, 1910, by Mr. Calmes for a year's subscription and have not had credit on the books, come in with your receipt and we'll correct the over sight.

NOW A WORD!

We want every one to continue taking the Crittenden Record-Press. We believe every fairminded man will agree that this is the only correct way that we can run the paper. We are making it better than has been. And while we announced that after January 1, the price will be \$1.50 a year, yet owing to the lack of a tobacco season and probably not all understanding the announcements fully, and in order to give all a fair chance to renew at \$1.00 who desire to, we have decided to extend time, and you can get the

Crittenden Record-Press at \$1.00 a Year by Paying all Arrears and Renewing Before February 1st.

Health For Sick Women

We know of no other medicine which has been so successful in relieving the suffering of women, or secured so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every woman you meet has either been benefited by it, or knows some one who has.

In the Pinkham Laboratory at Lynn, Mass., are files containing over one million one hundred thousand letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made exclusively from roots and herbs, and is perfectly harmless.

The reason why it is so successful is because it contains ingredients which act directly upon the female organism, restoring it to healthy and normal activity.

Thousands of unsolicited and genuine testimonials such as the following prove the efficiency of this simple remedy.

Coloma, Wisconsin. — "For three years I was troubled with female weakness, irregularities, backache and bearing down pains. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking several bottles I found it was helping me, and I must say that I am perfectly well now and can't thank you enough for what Lydia E. Pinkham's Vegetable Compound has done for me." — Mrs. John Wentland, R. F. D., No. 3, Box 60, Coloma, Wisconsin.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

Odesa School Notes.

Thirty-eight came in Monday after Christmas.

Per cent of attendance based on census—63.

Per cent of attendance based on enrollment—86.

Prof. Travis, of Hoods school, gave us a call the 26th, and made the school a very encouraging talk. Thanks Mr. Travis, our latch-string hangs on the outside and our fellow teachers are invited to raise the latch and walk in, you are always welcome.

The boys of the 7th and 8th grades held a debate Tuesday evening.

The 5th grade pupils are now going over their Elementary arithmetic the second time.

The 7th grade pupils will commence reviewing the Practical arithmetic in a few days.

The 19th and 20th, are our next review days. It will be written.

To our pupils:—You have only five more weeks for hard work. But you will be the better from the effort.

Another improvement. Tom Cantrel, under a contract made with the trustee, C. H. McConnell, has completed a well near the school house, covered with a substantial and neat shed. Odesa is coming to the front.

The smallpox scare reduced the attendance of our school for a few days, but about all are back again in their places.

One of our teachers said to us the other day, "I am getting along very well with my school, 'but oh, that chewing gum.' I would be a better teacher and have a better school if it wasn't for that chewing gum." We called the class, we asked the question and answered by chewing her gum. We repeated the question, she repeated chewing oh! my that chewing gum.

R. M. Riley, an ex-teacher, stopped in as he was passing and made the school a good talk. Thanks. J. B. McNEELY, Teacher.

Saved at Death's Door.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing forty pounds, growing weaker daily. Violent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine—Electric Bitters cured me. I regained the forty pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme. 50 cents at J. H. Orme and Haynes & Taylor's drug stores, Marion, Ky.

Monday afternoon at her elegant home on Belleville street, Mrs. M. E. Croft entertained from 3 to 5 o'clock in honor of Miss Blue of St. Louis. A Kings and Queens contest was engaged in a delicious two course luncheon was served to the guests in the parlors, consisting of salad, coffee, pickles and pressed fig pudding. Mrs. Croft was assisted in receiving by her daughter, Mrs. W. V. Haynes and Miss Ellis Gray, the latter of whom favored the guests with a vocal solo, which was well rendered and much appreciated. Besides the guests of honor those bidden were: Miss Lizzie James, Mesdames Orme, Blue, Gray, Woods, Yandell, Dixon, Crider, Jenkins, Dupuy, Rochester and Mrs. Sayre of Oklahoma.

One of the most enjoyable entertainments of the season was given by Mrs. J. W. Blue Thursday afternoon in honor of her guest, Miss Nonie Blue, who is being extensively entertained during her visit in our city.

After the guests arrived to relieve the formality and start conversation, a slip of paper was given each with the request to perform the given "stunt." The quick responses and rich repartees were much enjoyed by all. Some requests were to recite a poem, relate a vivid dream tell an anecdote, description of a hero, yawning, etc.

There was given a contest to guess familiar proverbs from illustrations. The refreshments consisted of peach salad, nuts and ham sandwich, pickles, coffee and candy.

The guests present were: Misses Blue and James, Mesdames Sayre from Ardmore, Okla., Dupuy, W. R. Cruce from Crayne, Orme, Deboe; Flanary, Tucker, J. G. Rochester, C. S. Nunn, N. Rochester, Gray, Jenkins, Haynes, Crider, Yandell Croft, Mather and Woods.

in honor of Miss Nonie Blue and invited many childhood friends of her guest of honor to meet her and talk over the happy days of youth. The Clement home on south Main is an ideal one for receiving a large number of visitors, having reception hall and folding doors making it possible to have several rooms in one, but the capacity of the house was taken on this occasion when all of those bidden were ushered in. Many pleasant reminiscences were recalled and old friendships renewed.

Refreshments of creamed oysters on toast, coffee, celery hearts and confections were served by Mrs. Clement's charming daughter, Miss Marian, assisted by Mrs. Dupuy. Beside the guest of honor those who enjoyed Mrs. Clements hospitality were Mesdames Deboe, Hayward, Stone, Croft, Woods, Wilson, Yandell, Jenkins, Dixon, Blue, Olive, Finley, Donakey, Sayre of Admore, Dorr, Cameron, Gray, Nunn, Flanary and Miss Lizzie James. The hours were from 3 to 5 and the guests departed with loud praises of the hostess, her gracious manner and her lovely home, each of which added to the pleasure of the occasion.

LETTER FROM ED MASSEY

Tie Sideing, Wyo. Jan. 5th., '11
Mr. S. M. Jenkins,

Rememberance friend, find enclosed money order for one dollar and fifty cents for which please send to my address at Tie Siding, Wyo., and allow me space enough in your admirable paper to entertain my relatives and friends in writing a few words to them as I can't write to them personally considering my situation. Just a few words to my friends of old Kentucky and relations also. I felt that you perhaps would forget me. I am pretty good at present, this is a jolly good state and lot of business is done here in regards to the stockmen throughout Wyoming.

I am in the mountains. I left Kentucky in April, 1909, came to Eaton, Cal., and found employment on a Palado ranch where I was located thirteen months and then I came to the Rocky Mountains and hauled freight five months and now I have charge of the Mountain ranch. It is one of the most ornamental resorts in summer I ever was at. The elevation is 9687 feet above sea level and it would please me the most in the world if some of these jolly old boys of old Crittenden county to spend one summer and winter in the wildest part of Wyoming. We certainly do have some frightful snow storms, in December we were snowed in and run short on grub and of course I had to ride the roads to see if we couldn't get to town which is twenty miles

away, with a spring wagon. So in saddling up old Jim my old saddle horse who is acquainted with the mountains and snow, and so by going through jack-pines and timber I arrived at town about four p. m. and found no one could get through the snow only by riding, the snow was from two to nine feet deep and if you can decide about how dangerous it was to come in contact with nine feet of Wyoming snow. So the next morning I saddled old Jimmie for a new route on Green mountain a road I had never been over before, no trail was broken and it was about fifteen miles out of the way but it was the only system to work on, the sun was warm with no clouds at all and about one o'clock a blizzard struck me, it was snowing so hard I couldn't see my horses head and the gale from the Gulf of Mexico was strong and old Jim couldn't hold him self to the wind and started with the storm and so did I. I rode until nine o'clock that night and was about frozen and myself and horse were almost ready to croak. I was walking and leading him as he had given out, he would lie down and nicker at me as if he was going to die, finally he would pull out of the snow and as we were going down a mountain stream along the old Sandy canyon, shivering with cold, all at once old Jim threw his head in the heavy sand, and snorted trying to pull me down the canyon, I was thinking of meeting some wild beasts and attempted to pull one of my old forty-five guns but was so cold I could not pull it out of the holster. I stopped to investigate and it came in my mind that old Jimmie was a wise old mountain boy and that he was lost and knew it, so I declined to heed to his desire in turning down the canyon but in a moment decided to climb in my saddle and look down the canyon and when I did so discovered a light about three hundred yards down and I felt sunshine at once, when I reached the ranch I knew where I was at, it was old man Johnsons ranch whom I knew well, I had ridden about one hundred miles that day and was quite a ways from home, we had supper and I was back in a short while. It is hard to fight a storm out here, he told me I was nery and that often some froze or croaked on the same route. So Mr Editor thanking you very much for sparing me space to publish these few words and so a good word to all the boys and a good kiss for all the girls is my request and a friendly goodbye to the Editor and goodbye to old Kentucky, goodbye.

Ed Massey.

Card of Thanks.

We would through your paper, be pleased to return our sincere

thanks to our kind friends who rendered us such valuable service during the last illness of our dear relative.

Tribune, Ky., Jan. 9th, 1911.

Mr. S. M. Jenkins, I want to show my appreciation to my neighbors for their kindness to me while I was afflicted with rheumatism.

Lewis Horning, Hughey York, John Hill, Andy Henley, Joe Lemon, John Butler and H. C. Hill, came with four horses and wagon, cut and hauled wood filled up the porch and wood shed until there was no more room.

A friend in need is a friend indeed. Thanks to Miss Cordie Lemon for helping wife get dinner.

Welsford, Kan., Jan. 3, 1911.

Dear Mr. Jenkins enclosed you will find three dollars, one for which please send me the old Record-Press. I do not want to miss a number as it is like getting a letter from my dear old Kentucky home. We are having some very cold weather at present, and very dry. Wheat looks very poor, haven't had but one rain since it was sown. Great many have sown over the second time.

Thanking you for all past favors, I remain as ever your friend.

The Heath Family.

Weston, Ky., Jan. 9th, 1911.

This narrative may be of some interest to some in regard to the

Heath family. At the beginning of the year, 1910, there were five of the old family living, since which time three of the five have passed over the river, two brothers and one sister. The oldest of the three, Harrison, 93; John R. 85; Nancy 82; leaving Robert who is 95 and Enoch 79, the average of the two survivors 87 years.

Mr. Marshal Jenkins (Editor)
Dear Sir:--

I failed to receive the grand old Crittenden Record-Press of December 29th 1910. Will you please send me that issue and oblige me. I am interested in old Kentucky and want all the news, when I miss a paper I don't know what is going on in Kentucky, and in the Press I get all the neighborhood news, as well as lots of outside news. Wishing you a happy and prosperous New year I will close,

Yours truly

FREDONIA

Misses Maggie Moore and Ethel Hard, of Marion, visited Mrs. Fannie Koon Saturday and Sunday.

S. C. Bennett and wife were in Evansville, Ind., several days last week to consult a specialist in regard to Mr. Bennett's health.

A. S. Threlkeld has sold his blacksmith shop, lot and tools to Dr. J. N. Bailey.

The young people of the vicinity, were given a tacky party at the home of Seth Wiggington last week. Many queer costumes were seen, and a pleasant time was had by those present--about seventy-five in all.

Miss Annie Cash, of Marion, spent Sunday here.

A. Boaz visited relatives in Livingston county last week.

We pay highest cash prices for country produce--paid 10 cts cash for hens last week. Bought 1300 lbs. in one day and are still paying 10 cts. cash for hens. See us before you sell. Bennett & Son.

Sam Howerton and family spent last week with relatives near Russellville.

Rev. H. Clay Smith lectured at the Presbyterian church here Sunday on the subject of "temperance." He is a fine speaker and the large crowd was well pleased with his sermon.

Mrs. Herbert Wolfe and family returned home Friday from a visit to relatives at Pinkneyville.

Dr. Wolfe is very busy doing dental work at Salem and other points in Livingston county.

The eighteen-year-old daughter of John Gray, who lives near town, was thrown from a horse Sunday and broke her ankle.

M. N. Wilkey and his bonny bride are at home to their many friends. We are glad to have them with us.

James And The C ommittee.

The Courier Journal of Monday Jan. 14th., 1911 in commenting on Congressman James' letter to the state committee in which he plead that the people be allowed to select their nominee for U. S. senator in the primary at the same time and in the same manner which the other candidates are nominated. has this to say.

Ollie James puts it pointedly and forcibly to the State Committee. To an outsider he certainly seems to have the logic of the issue on his side.

The Courier Journal, not accustomed to intrude in the details of party administration, and caring not a rap what the methods of selecting party nominees may be, so that it be fair and representative of the masses of the party, has attempted to take no part in the question of a convention or primary this year. But when the committee, determining on a convention in preference to a primary for gubernatorial candidates, the Courier-Journal commented on what appeared to be an inexpedient inconsistency. It may not have been inexpedient. The Courier-Journal is not in the secrets of the committee. It does not pretend to know the reasons which governed the committee in this course. They may be good and satisfactory reasons. But if they are the public, like the Courier-Journal, does not know it. The party at large does not know it. Cannot the committee enlighten us all? Mr. James seems to make a good case. If the committee, with a word or two of explanation, can make a better, it would seem to be to the interest of everybody concerned that it should do so. The Courier Journal offers it an open mind and open columns.

FOUR YEAR OLD DETECTIVE

The latest product of Livingston county is a four year old detective, in the person of Master Johnny Charles Chipps, infant son of Wm. Chipps, whose store was broken into last week, an account of which appeared in The Banner.

Our popular deputy sheriff Mr. Harry Martin went up to Bayou

ast Thursday to make a search for the stolen goods and to locate the thief. In the search Mr. Tom Parks residence was visited but nothing was found, although two corn bags of shoes, shirts and domestics and other dry-goods were found on the road to Tom Parks hidden behind a large rock. Mr. Martin on Friday evening had abandoned the search for the time being and had gotten as far as Birdsville on his way to Smithland.

In the meantime little Johnny Chipps said he wanted to go to the store to see where that man broke into papa's store. His mama permitted him to go to the store. The two window panes that were broken out by the burglar were upstairs on the second floor. The little fellow scrambled up the stairway alone and went to the window and the broken glass on the floor attracted his attention. He began gathering up some of the pieces and among them he found a broken large barlow knife blade. He at once went down to his father in the store and told him that the man who had broken into the store had broken his knife. Mr. Chipps took it and examined it and asked where he found it and he went back upstairs with his father and showed him the spot under the window among the broken glass. The Deputy Sheriff was recalled and on Saturday morning early they again visited Mr. Parks and searched him and found the handle of a large barlow on his person with a broken blade. Mr. Martin asked him where the other part of the blade was. He said down at the barn where he had broken it trying to remove a hinge. On request to show where he broke it, he went to the barn and began scratching around when there was no sign of a hinge about the whole barn. Finally Mr. Martin said to him that further search was unnecessary as he had the other part in his pocket. He then tried the two parts and although broken in a very irregular shape the two parts fit so nicely when put together that it is impossible to tell where the break is with the naked eye. Mr. Parks was arrested by Martin and lodged in jail and is now awaiting an examining trial. Livingston Ban.

PROF. FOSTER A VISITOR.

Prominent Educator Reared in Ohio County Visits Dr. A. C. Foster.

Professor William Foster of Princeton, N. J., who has been in Owensboro for the past few days the guest of his brother, Dr. A. C. Foster, left this afternoon for Louisville. He will leave that city Thursday for Cleveland, O., where he will be joined by Mrs. Foster and their two children, and will leave for Princeton. Professor Foster is a Kentuckian, having been born and reared in Ohio county, two miles from Hartford. His early education was received at a district school in Ohio county, and he walked several miles each day to school. Later he graduated from Hartford college, going from there to Vanderbilt university, where he received the M. A. degree. He then went to Princeton university, where he graduated, receiving the Ph. D. degree. Professor Foster taught in Hartford college, at Hartford, and later held the chair in chemistry at Central university, Danville, Kentucky. He went from that college to Princeton university. He has been a member of the faculty of Princeton for several years, and is professor in chemistry.

Professor Foster is well known in Owensboro, where he has many friends. He was a pupil of Prof. Wayland Alexander, and was a teacher of Prof. A. P. Taylor, principal of the Walnut street school, this city. (Owensboro Enquirer.)

Prof. Foster is a brother of Joseph Foster of Repton vicinity and an uncle of Allen Foster a student of Marion High School and visited recently in this county and is known to many of our people.

GOING TO FLORIDA FOR NEW HOMES.

Party of Twelve Kentuckians Pass Through Paducah To Southland.

Enroute to Titusville, Fla., where they will locate, a party of Kentuckians, who formerly resided at Joy, passed through the city yesterday. There were between ten and twelve in the colony, who have purchased fine farms in the Southern state. The party consists of John Bishop, Lawrence Bishop and family, Miss Bishop, William Lohay, Walter Steward, Amos Chittendon, Robert Cotser, Mr. Lawrence Bishop formerly was proprietor of a general store at Joy and is well known to all local business men. (Paducah News Democrat.)

BURGLARIZED.

Chipps Bros. store at Bayou in this county, was burglarized last Tuesday night. Mr. Wm. Chipps swore out a general search warrant to try to locate the goods that were stolen and Sheriff R. E. Foster went up Wednesday morning to make a search for the goods. Messrs. Chipps Bros. have an idea as to who broke in their store, but do not know for certain. (Livingstone Banner.)

COINCIDENCE.

In 1899 Hon. J. M. Worton introduced the Hon. James B. McCreary to a Paducah audience and he referred to him as "Oily Jim" which so disconcerted the Senator that he showed all through his address his embarrassment. After the speaking the Senator in his very gentle and courteous way upbraided Mr. Worton for denominating him as "Oily Jim." Mr. Worton of course apologized as he did not then know the full force and significance of the term "Oily Jim" and that he spoke with the vision and knowledge of a prophet. (Livingstone Banner.)

Letter From Oklahoma.

Okmulgee, Okla., Jan. 10, 1911.
Editor, Record-Press:—Enclosed please find postoffice money order for one dollar for the Record-Press, for the year 1911.
Moving and having public sales is the order of the day here, some are selling just to dispose of their surplus stock; others are leaving here; and there is always someone not satisfied anywhere. We have nine months free school. I live two miles from school, and pay our teacher \$60.00 per month. I see from the census report old Crittenden county has lost 1895 population in the last ten years, this county has gained over seven thousand population in the last three years.

Okmulgee has about seven thousand inhabitants. Sixth and Main streets are paved with brick for one mile besides some paving on Fifth and Seventh, considerable paving has been done on Adams street.

Okmulgee has one wholesale grocery house, two oil refineries, one foundry, door and sash factory, planing mills and glass factory.

This county has perhaps the finest poorhouse in the state. The county has bought from the government, the "Creeks Orphans Home" containing forty acres and a large brick house, one mile east of this place. Price paid \$7500.

There was generally when school was going on, from sixty to eighty scholars wishing all old friends the best of best wishes.

WHY HESITATE?

An Offer That Involves No Risk For Those Who Accept It

We are so positive our remedy will so completely relieve constipation, no matter how chronic it may be, that we offer to furnish it free of all cost if it fails.

Constipation is caused by weakness of the nerves and muscles of the large intestines or descending colon. To expect a cure you must therefore tone up and strengthen those organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our guarantee. They are eaten like candy, and are particularly ideal for children. They act directly on the nerves and muscles of the bowels. They have a neutral action on the other organs or glands.

They do not purge or cause any inconvenience whatever. They will positively overcome chronic or habitual constipation and the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. Two sizes, 10c, and 50c. Sold only at our store—The Rexall Store. Haynes & Taylor, Marion, Ky.

Our store will close at 6 p. m. during January and February.

Letter From Washington.

Naches, Wash. Jan. 7th, 1911.
Hon. S. M. Jenkins,
Marion, Ky.

Dear Sir:—It seems the good Lord has blessed the Record-Press patrons by putting you back into the editorial room again. I will tell you our patiences were getting much worn by lack of that animating spirit that is so essential to good newspapers and I think we did not fully appreciate your good service, until Mr. Calmes began to editing it. Now I am not condemning Mr. Calmes, because I do not think he intended to deaden the spirit of the paper but simply was not familiar with county newspaper work and desires of its patrons, and I hope and believe he will learn as he is energetic, and intelligent. He is a splendid advertising agent, and I praise him for it for there is nothing that brings about such flourishing results as good truthful advertising. But it seems to me if it required the space of two sheets for the advertising of country's resources and enterprises (which is great) I would enlarge by adding two more sheets for good pleasant news, and which I know Mr. Jenkins you are thoroughly familiar with and will do. I am not trying to act as an adviser, far from it, but just giving you my view of the Calmes regime, and I hope you will make the Record-Press the same cheerful, newsy paper that characterized its career when you formerly had control.

Enclosed find one dollar for my subscription.

Wishing you a glorious success for the coming year.

Yours Very Respectfully,
MRS. RUBY DEBOE ROWLAND.

IT GROWS HAIR

Here Are Facts We Want You to Prove At Our Risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and with out question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store. Haynes & Taylor, Marion, Ky.

Letter From Porto Rico

Mr. S. M. Jenkins,
Marion, Ky.

My dear Sir:—Your favor of Nov. 19th. has been forwarded me at San Juan, Porto Rico.

Upon leaving Kentucky, I sent out my announcement and appreciate the notices the papers have been kind enough to forward me. Upon my return in March, I shall be very glad to take up an active campaign for the nomination of Commissioner of Agriculture, and will then communicate with you. In the meantime, I am here putting on the First Insular Fair of Porto Rico and endeavoring to open up a trade for our Kentucky baeeders of pure bred live stock in this island.

The opportunity cannot be neglected to get Kentucky stock in as foundation stock in this island. They very badly need our horses, cattle, sheep and hogs and it is my purpose, as Secretary of the Kentucky State Fair and at the same time manager of the First Insular Fair of Porto Rico, to bring Kentucky breeders in close touch

with the breeders of this island. Any assistance rendered me by my friends in Kentucky during my absence will be very much appreciated.

I hope to be able to materially penifit our breeders and farmers while on this trip and I do not believe they will let my political interests suffer while I am endeavoring to help them. You will hear from me on my return to the Utdied States, the latter part of Msrch.

Very truly yours,
J. W. Neuman

GOOD NEWS

Every Sufferer From Catarrh Coughs
Colds And Sore Throat
Should Read It.

So many hundreds of catarrh victims who have taken the HYOMEI treatment, have written us letters thanking us for publishing our method of taking the HYOMEI vapor treatment in connection with the inhaler that we gladly publish it again.

The vapor treatment is especially recommended in stubborn cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This is the simple vapor treatment and only takes five minutes of your time before going to bed. Pour a teaspoonful of HYOMEI into a bowl of boiling water, cover head and bowl with towel and breathe for several minutes the vapor that arises.

You will be surprised at the result of this treatment; it makes the head feel fine and clear; you will sleep better, and that stuffed up feeling in the head will gradually disappear.

This same method will break up the worst cold in the head or chest in one night.

A bottle of HYOMEI costs 50 cents at HAYNES & TAYLOR's who guarantee it. If you want the complete outfit, which includes the little hard rubber pocket inhaler, the price is \$1.00.

No stomach dosing; just breathe HYOMEI and cure catarrh and all diseases of the breathing organs. J5-19

In Memory of Mrs.

Wm. H. Heiges.

Mrs. Lou Raley Heriges was born in Davidson county, Tenn., Jan. 28th. 1853. Was married to W. H. Heriges July 20th, 1874, and died at her home in Crittenden county, Ky., Nov. 18th 1910. How much gladness and sorrow is summed up in the brief facts above. Gladness of a young girl full of joy and gladness coming into full maturity and taking on herself the marriage vows.

How well she kept them, husband and children can testify. Sorrow came later into her life, for she gave father up mother and four children. She was often bowed beneath the burden of it, but her faith in God never faulted—always cheerful, she made home a haven for her family. She was a devoted wife and an affectionate mother, a true friend and a kind neighbor.

Her illness was short, pneumonia doing its fatal work in a few days.

A good woman has gone to her reward.

Kind friends and neighbors did all they could for her and her children's attention were unceasing, (her husband being very ill also,) but all could not keep her from answering the Father's call.

When the sun goes down, and shadows lengthen, we will think of our loved ones who have reached the golden gate of the celestial City.

May we all live nearer the cross and meet sister Lou after awhile.

REAPING BENEFIT.

From The Experience of Marion People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Marion residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

Mrs. Emma Weldon, Salem St., Marion, Ky., says: "Kidney trouble annoyed me for five years and greatly affected my health. My back was lame and pained me most of the time, I had frequent headaches and often could scarcely see. None of the remedies I tried gave me any benefit until I procured Doan's Kidney Pills at Haynes & Taylor's drug store. The effect of this remedy was truly marvelous, as in two months I was free from every symptom of kidney trouble. My only regret is that I did not hear of Doan's Kidney Pills sooner, as they would have saved me much expense and misery."

HAVE YOU TRIED PAXTINE?

The Great Toilet Germicide?

You don't have to pay 50c or \$1.00 a pint for listerian antiseptics or peroxide. You can make 15 pints of a more cleansing, germicidal, healing and deodorizing antiseptic solution with one 25c box of Paxtine—a soluble antiseptic powder, obtainable at any drug store.

Paxtine destroys germs that cause disease, decay and odors,—that is why it is the best mouth wash and gargle, and why it purifies the breath, cleanses and preserves the teeth better than ordinary dentifrices, and in sponge bathing it completely eradicates perspiration and other disagreeable body odors. Every dainty woman appreciates this and its many other toilet and hygienic uses.

Paxtine is splendid for sore throat, inflamed eyes and to purify mouth and breath after smoking. You can get Paxtine Toilet Antiseptic at any drug store, price 25c and 50c, or by mail postpaid from The Paxton Toilet Co., Boston, Mass., who will send you a free sample if you would like to try it before buying.

There is nothing more appreciative to your friends than a nice picture of yourself. Pictures are not appreciated sometimes until it is too late to get good ones. So be sure sure you get good ones first.

"I wish to say that I have used Sloan's Liniment on a lame leg that has given me much trouble for six months. It was so bad that I couldn't walk sometimes for a week. I tried doctors' medicine and had a rubber bandage for my leg, and bought everything that I heard of, but they all did me no good, until at last I was persuaded to try Sloan's Liniment. The first application helped it, and in two weeks my leg was well."—A. L. HUNTER, of Hunter, Ala.

The Vital Statistics Law.

There has been of late much said and written in regard to the conservation of our natural resources: these are important matters and they should have the support and encouragement of every good citizen but these pale into insignificance when compared to the conserving of human life. Who can put a money value on human life? It matters not how insignificant that life may appear to the community. Think of the lives that are wantonly sacrificed each year in our own community. Think then what it amounts to when we consider every community in our state and nation.

The Doctors of our country have known for years that untold thousands of lives are sacrificed each year. They have been working all these years to enlighten the laity upon the vital importance of preventive medicine. The "Old Time Physician" had done their duty when they visited the sick and gave them pills and powders, they did the best they could under the state medical knowledge in their time and God bless them, they laid the foundation upon which medical science is builded; but if we did not do better than they did, the community in which we live would be better off without us.

The Public Health and Marine Hospital service of the United States government is doing a great work in conserving human life. The Pure Food and Drug Laws of the nation and various states are valuable assets to this conservation, and they are the fruits of medical organization.

The doctors are standing together as one great army in our National and State Association to urge proper legislation and enforce laws for the prevention of sickness and death.

Many philanthropic organizations of laymen are exerting every influence possible to prevent sickness and death. The laymen is beginning as never before to seek knowledge along lines medical. He is asking his family physician what he can do to keep well and to preserve the health of his family.

The State Board of Health and the State Medical Association went before the Kentucky Legislature and urged upon them the importance of a Vital Statistics Law, and other needed medical legislation, and it is to the everlasting credit of the last Legislature that they enacted into law every bill that was pushed by the Medical Men of Kentucky. And the members of the last Legislature will ever have a "Warm Place" in the hearts of the Doctors of our state.

Tuberculosis [Consumption], Typhoid Fever, Diphtheria, Scarlet Fever, Dysentery, Cholera—Infantum, and many other diseases are preventable. Every death from these and several other diseases is a life wasted: a loved one sacrificed on the altar of ignorance and indifference. Seventy five per cent of the deaths in infancy should be prevented. This should be a personal matter with us. We should ask ourselves the question, "what are we doing to save the lives of others?" We should feel that we were not worthy the name of "Man or Woman" if we were to stand idly by and see a moving train crush the life out of a helpless person and not make an effort to save them; then let us upon the same principle make an effort to save our own families, our neighbors and our fellow-creatures.

The United States Government takes the census every ten years to see how many people we have, to see what our natural resources are, to compile the statistics of our cities, of our towns and rural districts, in other words Uncle Sam takes his inventory every ten years; it costs millions of dollars to do this yet it pays. The successful merchant takes an inventory the first of each year to see where he stands, to see if his business has been a success and upon the information obtained by this inventory he lays his plans for future business. The average man can better comprehend a proposition if it has money value, yet, who can estimate the value of his own or a member of his family's life?

The Vital Statistics Law, in Kentucky, requires the Doctors of the State to report births within ten days and to make death certificates immediately after the death occurs. The time and place must be included in this certificate but most important is the cause, also data in regard to the personal and family history. The State furnishes the blanks on which the reports are made. The forms are those adopted by the United States Bureau of Statistics.

It is unlawful to bury anyone without a permit from the local Registrar. There is a Registrar in each voting precinct in the County except the five Marion precincts, they are for convenience placed under the control of one Registrar. It is the duty of the undertaker to secure certain data from the family of the deceased or some other suitable informant, then to secure the certificate of the attending physician and present this to the local Registrar who issues the burial permit. For convenience any local Registrar can act as Sub-Registrar for any Registrar in his or adjoining county. The burial permit is given to the Sexton or any one in charge of the cemetery or burying ground to be preserved. Each birth and death certificate is forwarded to Dr. W. L. Heizer, Superintendent of Vital Statistics, Bowling Green, Kentucky, and they are there preserved in a fire proof vault for future reference.

These certificates are the legal records of births and deaths, which in the future will be of untold value to the Citizens of the State in establishing proof of births and deaths, in the settlements of wards and guardians, to determine the age for holding office, voting, jury service, military service, entering professions, liability under Child Labor Laws, age of consent, irresponsibility for crimes and various other things.

The death certificates will show the cause of deaths; the numbers of lives wasted by preventable diseases, will give us a better understanding of our responsibility as citizens, will make us more anxious to help others, in other words the Superintendent of Vital Statistics can make an inventory at the first of each year, which will give the State Board of Health and the local Health officers a basis upon which to lay their plans for the work of conserving the lives of our citizens.

Now let us work together to put this law into effect without friction and have it carried out to the letter and at the beginning of next year every good citizen will be glad to take up a little pamphlet and see how many births there have been in Crittenden county, how many little boys and girls have come to gladden the homes of our people, we can also see how many deaths there have been and how many of these should have been prevented.

Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Mo., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary relief. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.
